Dear Paul,

Another chance to visit! Here's information for you related to three individuals.

Dan Gracia: A confidential record sheet is enclosed. He has moved from Oregon to the San Francisco bay area so it was done as best we could.

James Martin Rise: Copies of some court proceedings as well as a confidential record sheet. This should complete your file on Rise. Please do note aliases he has used.

Rand Darrell Newby: A former camp staff member and volunteer Scouter; no longer registered in the Columbia Pacific Council. Copies of recent court proceedings are attached as well as a confidential record sheet. Because of his previous Scouting involvement, we believe he needs to be placed on the confidential file.

That does it for now. Any questions?

Sincerely,

Don Chilcote

Dear Jim,

After careful review, we have decided that your registration with the Boy Scouts of America should not be accepted. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Dear Don:

This is in response to your letter and our phone conversation related to the above-named individual.

The information which you have sent indicates that there are some serious concerns about the reputation of the individual involved. Just because there was no conviction does not mean that he was not guilty since it was indicated on the court items that they were not able to get people to testify in court related to these items.

We would like to see you deny registration and would support that in our office.

I am enclosing a Confidential Record Sheet which I would like to have completed so that we may identify Mr. Rise should he attempt registration in some other location.

Dear Paul,

This information was recently given to me regarding James Martin Rise, a volunteer currently registered with the BSA as a mate in Ship 724.

In reviewing the material, it looks like there are three issues for your review. First, he must have been convicted of fraud by impersonation in 1956. Second, in July of 1979, he was accused of rape in the third degree. A dismissal order was issued on September 13, 1979. Third, he was charged with sexual abuse in the first degree in 1980; a dismissal order was filed in December, 1980.

Your guidance, please. It is obvious he has not been convicted of the two sexual related charges for reasons indicated. It does seem that we should take some action, however. He has been on the fringe of the program and drifted from place to place in his volunteer roles. We would be prone to deny registration but do seek your guidance.

Thanks, Paul.

Sincerely,

Don Chilcote
